

International SYS Interclub Competition Organized by DUKLA Jihlava – mládež, z. s

### Dear Synchro-friends,

it is my previlige to invite you to our next international interclub synchronized skating competition – 27th SyS Jihlavský ježek, held on 2nd April 2022.

After two covid seasons we hope on better times and we are looking forward to seeing you in your best form on ice and hopefully to having a nice talk off ice, as well.

#### Please note our News:

There is a developing plan to be done – the icehall demolition.

A new modern Arena will be built. We feel sorry to lose our famous one and only Dukla ice-rink. This competition is going to be very emotional for all of us, we shall have at least 2 years break from competitions organizing.

Good luck, stay save and healthy – please accept kindly our invitation.

Yours,

Věra
