**25th Anniversary of the International Synchronized Competition**

# **J I H L A V S K Ý J E Ž E K 2 0 1 9**

**23rd March 2019 – Jihlava, Czech Republic**

I have been involved since my 15 as a competitor and coach in my home country and Austria. Once represented at the World Championships. I love work with children on ice and off, dreaming about high goals. Currently I am happy to be employed at the sports club, former only ice hockey one, that today supports also synchronized skating. I would like to express my thanks to school ZŠ Seifertova Jihlava which runs classes with large sport lessons, specialized in synchronized skating and ice hockey. Today we enjoy 105 children who join our synchro teams.

Yours, **Bc. Linda Haferníková**, SyS Club Coordinator and Coach

As a former captain of the legendary hockey club DUKLA Jihlava I am happy to discover synchronized skating for my two daughters. I appreciate hard work of coaches and skaters, trying to support all their effort. I have personally seen several competitions with our teams and can claim, that this sport is wonderful and worth of doing. I wish a happy stay in Jihlava and success on ice to all participants.

Yours, **Oldřich Bakus**, Chairman of the Club

I enjoy working with figure skaters. They stand on discipline during my lessons. Going step by step, I believe in skaters success. I get always big energy from seeing so many children from synchronized teams in Jihlava making progress in my lessons, and on ice. I wish all participants impressive performances.

Yours, **Doc. Hana Bubníková**, Ballet Teacher  
Silver medalist in World Championships in Rhythmic Gymnastics

As a former competitor and present coach of team Ice Flowers I always enjoy to be part of the organizing committee of Jihlavský ježek. I am looking forward to seeing all the teams and I wish everybody joy of our event.

Yours, **Vladimíra Sedinová**, Coach

„Amazingly, it only took 25 years to establish  
a major SyS event in the Czech Republic - **JIHLAVSKY JEŽEK 2019!**“

We are proud to be a part of more than 500 teams grouped in ISU.  
The first competition in Jihlava presented 3 teams of enthusiastic Czech skaters who fell in love with this team sport.

As ever, I have to remember all Jihlava skaters who kept SyS on, invested all their energy and enthusiasm in the sport on the ice, practised and competed with the hope and certainty to do something wonderful and prosperous.

Teams M-Style, Modetky, Johanky, N´Ice Age, Starlets, Ice Flowers, Gemini, Tempo, Prima have been doing their best to bring a big reputation of the sport in Jihlava region.  
Our skaters have competed and brought experience from many SyS - friendly countries: Austria, Belgium, Croatia, Finland, France, Germany, Hungary, Italy, Sweden, Switzerland, USA.

Today's competition is not only electrifying music, colourful outfits and ambitious choreographies, it is the celebration of sport, socializing event and long living friendliness of several countries.

I would like to thank the Czech Figure Skating Association for their support, municipal offices, as well, and the club DUKLA Jihlava to make our competition being available today.

The biggest thanks of all however, goes to you the skaters, teams and coaches. As event organisers, our reward is seeing your happy faces, young people *of all ages!* Able to participate and enjoying yourselves – that is our mission.

We hope you do enjoy your visit to Jihlava and make your this event a regular in your diary in years to come.

Yours,

**Mgr. Věra Paulusová**  
Technical Specialist ISU and SyS Coach
